In the states of Florida, Alabama, Mississippi, Louisiana, Texas, Virginia, Kentucky, West Virginia, Ohio, Michigan, Indiana, Illinois, Wisconsin, Minnesota, Colorado, Idaho, Oregon and California the cost of raising wheat is from \$10.45 to \$13.83 per acre. It is a singular fact that farming communities so widely separated by distances, so diverse in climatic conditions and with labor of such radically different character, the cost of raising wheat should be about the same .-

Legitimately produced, and truly inspirited, fiction interprets humanity, informs the understanding and quickens the affections. It reflects ourselves, warns us against social follies, adds rich specimens to our cabinet of characters, dramatizes life for the unimaginative, daguerreotypes it for the unobservant, multiplies experience for the isolated or inactive and cheers age, retirement and invalidism with an available and harmless solace.—Tuckerman.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She ther sent to me to see . I had anything that would belp her. I sent her a bottle of Chamberlain's Colic, Cholera and Disrrhoea Remedy and the first dose reliev ed her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoes but kept getting worse. I sent him the same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful medicine.-Mrs. Mary Sibley, Sidney Mich. For sale by L. Stabler & Co.
